

Mobility grants 2024-25 for internships abroad

! Eligibility: the country of the internship must be different from the nationality of the intern.

The scholarship **supports travel** for an internship: €750 at less than 4000 km and €1500 at 4000 km and more. The distance is calculated from Villeurbanne with <https://erasmus-plus.ec.europa.eu/resources-and-tools/distance-calculator>.

Compatible with other scholarships, **except the Graduate+ SFRI scholarships**, and **paid before or after departure**, the payment delay is 2 to 4 months after acknowledgment receipt of the **complete** application by the UFR Biosciences. The max amount is €1500 / student / diploma to cover one or two internships. Complete applications will be **processed on October 21, 2024; January 30 and March 27, 2025**.

CONDITIONS
